HAPPY NEW YEAR!!!!

A new year is here for us to plan.

No matter what we plan, though, New Year signifies a new beginning. Flipping open a fresh calendar, with its 12 pristine, as-yet-unmarked months, is perhaps one of the most universally hopeful acts we humans perform: finally, a chance to shrug off a year's worth of worries, conflicts, and mistakes; finally, a chance to start over.

Last year I had big plans for my term as Mayor, and it was derailed by conflict in the City Hall. I had numerous things I wanted to provide for us, and to clean up the Community Center for more public use was one of my main concerns.

I am hopeful that this year will get me back on track. Already there are changes being made. The Community Center is going through updates with new paint and a more inviting atmosphere.

We are scheduling Self Defense Classes; Walking in the Gym; Stationary Bike Riding with Road Trip Screen; Art Classes; Cooking Classes; Mushroom Hunting & Cooking; and much much more.

If there is anyone who would like to volunteer their time and/or expertise in some area in which we can have a class or would just like to help with remodel, please contact us. Public Works Director, Stephen Williams is doing an amazing job, but I am sure he would not turn down assistance.
