**FORMER CLERK, SALLY HANSEN'S,
SENTENCING HEARING - JUNE 9TH AT
11:00 AM - FEDERAL COURTHOUSE**

Recently, we attended a meeting with the Federal Prosecutor regarding the upcoming sentencing hearing. During that meeting, it was expressed to us, just how important it was for citizens to attend this hearing.

Throughout our lives we are given opportunities to stand up and be accounted for, this is one of those times. Whether it is to voice your opinion vocally, or to silently voice it by your just being present.

With the increased corruptions that plague our society, the only way to combat it is to no longer stand by silently while it happens.

Please write a letter to the Judge on how this breach of trust and theft has impacted you personally. Then drop it off at the city this week, or call the city to let us know you will be attending 208-683-2101.

106th Annual Athol Dazes
August 8, 2015

As we are nearing the city's annual event on Saturday August 8, 2015, we are looking for some volunteers to help with the day full of events.

We are planning for things such as: the city parade; food and craft vendors in the park; lots of kids and family games; car show; and live music in the Athol City Park.

Items or specific areas we need your help, include things such as making cakes or baked good for the cakewalk, any types of donation for the silent or live auctions, and prizes for various kid games.

If you would like to volunteer, participate, or any ideas, contact the city 208-683-2101 and let us know how you would like to assist.

ATHOL BEAUTIFICATION DAY IN THE WORKS JUNE 6th & PLANT EXCHANGE

Area citizens have been meeting on Tuesday nights at the Athol Community Center to discuss the development of Athol Beautification Day.

At this time a tentative event plan and schedule have been developed by Athol Church of God, Real Life Ministries, and the Mayor. I would love to see participation by Athol Baptist Church, Athol Seventh-Day Adventist, Gates of Praise Assembly, and any local business participation.

The request for additional input and participation is most welcome and deeply encouraged.

The event planning will be addressed at the next city council meeting for city input and discussion. City council meeting is set for June 2nd, at 7:00pm at the Athol City Community Center/City Hall, in the downstairs conference room.

The general idea of the event, is to provide citizens with the assistance they need to help with removal of items from their yards and to provide a community sense of awareness for your neighbors.

This event will be combined with a handful of activities for Saturday, and possibly additional assistance for Sunday.

It should commence at 9:00am in the park for meet and greet – Hospitality Services of coffee and doughnuts will be provided by Athol Church of God. If any other church or businesses would like to provide refreshments or services, we would welcome participation, thoughts and ideas.

A brief organization and instruction session will develop and then groups will be formed and sent out to citizens who have requested assistance. After the work teams are completed, everyone will return to the park for a bbq being provided by Real Life Ministries.

The last event of the day will be a scavenger hunt.

Teams of youths and adults will be formed, for those who wish to participate, and will be sent out to conduct a Bigger & Better Scavenger Hunt with the citizens of town.

This event is styled to bring the community together to assist and lead a hand for those who have the need.

We would also like to provide citizens with the opportunity to participate in a city-wide yard sale. So, if you would like to clean out your yard and your homes, join in the fun and sign up to be put on the map of places to go! (deadline for yard sale is Monday 6/1/15)

I would also encourage those of you who have extra plants and flowers in your yards, to thin out your plants and bring them down to the park for a plant sharing and swap meet.

If you would like to volunteer, or participate, contact to the city 208-683-2101 for additional instructions.
