Water Improvements – Unfortunately the Raising of the Water Tower on 6th and Menser has been delayed. It will not happen until sometime next spring. We will keep you posted.

City Hall Closed - Will be closed for Veterans Day November 11th; Thanksgiving Day November 25th and the Friday after Thanksgiving 26th.

Winter Weather – Winter is fast approaching and along with that comes snow plowing. Just a reminder to keep the rights of way clear. Items left in the right-of-way are there at your own risk. Cars, trucks, boats, trailers, misc. items, all need to be removed for plowing. Thank you.

Food and Clothing Donations – Donations are always appreciated, and we love to offer the location to house such needed programs for the greater community. But please remember, to not leave or drop off your donations outside the building doors. All food donations should be brought into the hallway in the back of the building and left on the shelves. Clothing should be brought into the clothing donation room, as this is an unmanned room and it's only volunteers who come into sort and hang the items.

New Businesses Underway – You may have already seen the Sweet Lou's Restaurant being constructed in the Crossings; it is planned for opening sometime this Spring. Also, the new Dollar General, located next to the Crossroads Café on N. Old Hwy 95; they are just getting started and are hoping for a late Spring opening.
