Meet David Moreland Your Athol 2021 Citizen of the Year!!

You might better recognize him as your local garbage man! He is the owner of Panhandle Waste Service and is a very hard working and dedicated man, putting 100% into everything he does. Local Atholian for over 30 years.

It's a dirty job, and he says, "he loves your trash!" He is someone who brought the community together just by being who he is. Always going the extra mile when no one is looking. Dedicated to doing what he does through the rain, snow, or shine!

David is a husband and father of five, with 6 grandchildren. He is a United States Marine Corps Veteran. He has also been

very active in the Boy Scouts for over 20 years, loves his church, boating, camping, bicycle riding, shooting, and cruising in his 56 T-bird!

David has assisted in many Athol Beautification weeks in years past. The man always has a smile on his face and is always available to help when called upon. You could say he's not afraid to get his hands dirty. Thank you, David, for all you do. Thanks for cleaning up the community, David!
