

Dear Resident,

Winter is fast approaching and along with that goes snow plowing.

Just a few reminders to help make/keep winter a happier time for all of us.

1. Any personal items left in the city right-of-way need to be removed.
2. Mail boxes and paper boxes left out in the right-of-way, in the way of the plows, are your responsibility. Items left in the right-of-way are left there at your own risk and could be struck by a snow plow during plowing. In the event that there is damage to a snow plow or other city equipment caused by items that you have left in the right-of-way you could be subject to reimbursing the City the cost of that damage.
3. Cars, trucks, boats, trailers, misc. items all need to be removed for the plowing.
4. When removing snow from your driveway do not snow blow or plow snow into the street.
5. The city is not liable for damage of any sort to your personal property when left in the city right-of-way.
6. If you have any questions please call city hall.

We are sorry for the inconvenience of the berm in your driveway but the snow has to be pushed out of the street, please cooperate with our Public Works Director and/or his crew, if any, for the plowing of the city streets. Thanks in advance and have a great winter.
