Council is now to review the drafts, approve a written set-of responses to the findings for each fiscal year being audited, and sign the final letter and turn in at least a week before July's general council meeting on the 21st; where the auditors will then plan to present the final audit for fiscal years 2010-2014.

COMMENTS: Councilman McDaniel was upset after viewing this month's newsletter and requested to have a proposed policy of some sort regarding social media and newsletters, feels that taxpayer's monies should go towards accurate reporting of the cities activities, not serve any one personal agenda. He also wanted to put on next month's agenda- an amendment to the employee policy to clarify all city titles and positions within the city.

ADJOURNMENT: This meeting was adjourned at 8:45pm.
