He also noted that there was one more revision since their packet was made, and asked that revision #4 be the plan they consider when deciding tonight. After this discussion

A **Motion was made by Spencer, second by McDaniel** to approve the sign plan using revision #4, finding that the proposed master sign plan for the Super 1 Foods/ HJ Grathol development met the requirements of grade separation and feels the additional size of the proposed sign is over and above the requirements and is appropriate, because it would make it easier to read at the higher rates of speed on Hwy 95. *DISCUSSION
