Motion passed. ACTION ITEM**

PUBLIC HEARING -On Proposed Fee Resolution 2019-01

Mayor OPENED the hearing at 7:25pm, sharing this was to take and consider public comment on the adoption of City Fee Resolution 2019-01. This is regarding the institution of new or increased fees of more than 5% for

NOTE: The City will make reasonable accommodations for anyone attending this meeting who require special assistance for hearing, physical or other impairments. Please contact the City Clerk at (208) 683-2101 at least 24 hours in advance of the meeting date and time.

various planning and zoning fees, water rates etc. Mayor reminded everyone to speak loud and clear- it is being recorded, those wishing to speak will come up to the podium.

- 1) **Bob Wachter, citizen of Athol:** Shared he agreed and was ok with the changes except for one area, the overage rate. Going from the \$1.10 for 1k over the base gallons to \$2.00 per 1k over will hurt the city in the long range. Fears too many people will just stop watering and then we may not have anyone using water beyond their base rate. Just feels like it's a 3rd ding when considering the other changes.
- 2) **Janet Ellis, citizen of Athol:** Commented she was surprised and liked that the drop in base gallons only went to 12k instead of she heard or feared 8k gallons. Also wondered why the water hauling station so much less than what residents pay - only \$0.50 per 1000k and citizen pay \$2.00 per 1000k gallons?
- 3) **Mike Cutler, citizen of Athol:** asked why can't the city just charge everyone the same base rate per the gallons they use?
- 4) **Mark Dane, citizen of Athol:** For Commercial accounts you get 8k gallons more water for only \$6.00

The discussion following each of these are summed up as follows: 1) Council understands it's a lot of change, and wished this wasn't so necessary to do this, had rates been adjusted through past years to plan for the needed updates in the water system. The overage rate will really only affect the fewer people who go over the monthly 12k gallons given in the base rate- so it feels more appropriate to charge those who use, than everyone as a whole. 2) Nothing regarding the comment on liking 12k verses 8k; but the 2nd half of her comment was responded to by thinking she mis-understood and that it really is \$0.50 for 100k not 1000k; actual \$.25 for 50gallons; meaning they actually pay more than residents. 3) The city can't budget with only charging per the used gallons, and further the base rate is what can be budgeted for because the used/overage rates are variable. After having the rate study done, we have tried many ways to best calculate this out, as well as put the city in the best position to get the best loans and hopefully grants to help with the cost of needed improvements to the system. 4) Clerk responded that the reclassing of the commercial accounts was hard to analyze and find the best fit for a new set of classes. This is our first attempt and we will have to watch the commercial classes and see how it goes. As a whole the council felt it best to go with the rates listed in the and make no changes, after some time passes, we could look at them again.

Hearing no more comments the Mayor CLOSED the hearing at 7:53pm.

6) **DISCUSSION/ADOPTION of Resolution 2019-01 The updating of the City Fee Schedule ACTION ITEM** Motion by McDaniel, seconded by Spencer to adopt the Fee Resolution as Presented with no changes, and the water fees portion to be effective April 2019. *DISCUSSION
Roll Call: Denis=yes; Hill=yes; Spencer=yes; McDaniel=yes. Motion passed. ACTION ITEM

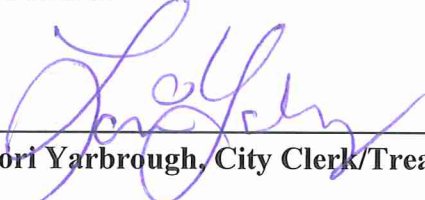

CHAMBER OF COMMERCE UPDATE Janet began sharing the information about their fundraiser for the Judo class, as well as that they are now doing the membership drive. They have changed their calendar year to be effective April to April each year, instead of January when too much is going on.

PUBLIC COMMENTS – None

ANNOUNCEMENTS **City Council**-none / **Mayor**- The next Athol Beautification/Athol Daze planning meeting is Thursday, March 21st at 1:00pm; There will be a Transportation Planning Kick-Off meeting on Thursday, March 14th at 4pm-5:30pm; and she asked the council to begin thinking about attending the AIC quarterly meeting at the end of April in CDA.
