All booths should be kept clean and visually appealing. Booth sizes are based on 10x15 grid. Any odd-sized booth, trailer, or extension of the trailer hitch/tongue must be moved up to the next longest space. For example, if booth (trailer/tongue) is 8'x12' structure, this would fall into a space size of 10'x15'. Awnings, tables, steps, items on display, etc., must be included in the square footage calculated. **NO off-site sales of your product!**

Signage & Electricity: You must have a sign that identifies the name of your booth present at all times. Signs must be confined to within 2-feet of booth space. **You must provide your own 50'-100' (heavy duty, 12 gauge, grounded for 20-amp, 16 gauge if 10-amp) extension cord if electricity is purchased.**

Insurance / Health Department Requirements: All vendors must have their own insurance. Vendors are not covered through the city's insurance. Food vendors must provide proof of liability insurance with a minimum of \$500,000 if asked. **The City of Athol must be named as an additional insured.
