- * ID & PIN numbers are issued, upon receipt of opening the Account; the Set-Up fee may be included in first months billing.
 - * Set-up/access fee \$25.00, at time of opening or in the first month's billing. There will be an annual renewal fee of \$5.00 each year, thereafter to keep account open/active.
 - * **Billing will be done monthly for usage at a rate of \$10.00 per 1000 gallons. If there is no balance due, no bill will be mailed.**
 - * Charges will be assessed for station damage caused by improper use.
- Note:** If account is 90 days or more past due, the account will be suspended from use until payment is received and paid in full. All fee rates are subject to change as per the city fee resolution update by city council.

The undersigned representative confirms compliance with the above requirements and that they have authorization to set up this account, on behalf of the commercial business listed above.
