Summary of Water Rules & Regulations

- You may **NOT** turn water on or off at City's valve.
- All work performed on the meter must be done or coordinated by the City.
- Meters remain the sole property of the City. Any tampering of the meter will result in fines + damages.
- We recommend installing a shut-off valve between the meter and your home.
- **Do not block, park on, or cover your meter; keep it clear of all items and debris at all times.**
- The full text of the Athol City Code Water Use Regulations can be found in Title 6 Chapter 2.

Billing

- Statements are mailed at the end of each month on the back of the City newsletter and are **due upon receipt of bill but no later than the 15th of the month.**
- Late fees will be assessed on the 16th of each month.
- All water accounts are billed according to meter reading usage.

I certify that I will conform to the rules and regulations as a condition for the use of water and I have read and am in receipt of the summary of Water Rules and Regulations.
