City Hall Closed for the President's Day Holiday – on Monday, February 17th, 2025.

- **Water Service-** A reminder to take an extra look at your water services in your home, to ensure you don't have any broken or frozen water lines or even small leaks. This past month's weather has been all over the place.

WINTER REMINDERS

- The first priority is to clear the main streets to allow for the passage of traffic. Then as time allows, we will go back and begin clearing and pushing back the sides and do any clean up.
- **It is unlawful to push, shovel, blow, or place snow on to the public streets. Instead, please push the snow into the swales and yards.**
- Please pull vehicles into the driveway and remove personal property from the street, right-of-way, and swales. This helps our plow driver remove as much snow as possible off the city streets and ensures the roadways stay as wide as possible as snow accumulates.
- Snow berms are an inconvenient result of plowing. Our plows in residential areas are equipped with a gate. However, gates only reduce the size of the berm, they don't necessarily eliminate a snow berm. Snow gates are subject to weight and amount of snow.
