What does the Future of Athol look like for you??

Do you wonder what is going on in the city?

Do you want to know why something isn't happening in the city?

Are you considering running for a city council or mayor position in the future?

Join Us for Sit Down with the Mayor, a Listening Session open to the community.

We are offering 2 dates and times at City Hall:

Thursday July 24th at 5:30pm or Saturday July 26th at 8:30am

This is your time to ask questions, learn more and share where you see our community going. What do we want Athol to be, to look like, what does it need? This is not meant as a grip session but a true attempt at listening to the community. If you want to be constructive in helping lead Athol into its future, here's an opportunity.

We believe Athol is at a place & time where some real forethought is necessary to plan ideas & decision-making that will best shape the future of our city.
